

AMENDMENT TO THE ABSTRACT

Please amend the Abstract as follows:

~~The invention relates to a~~ A packaging method ~~comprising the following steps: includes~~
~~the provision providing~~ of a bag, ~~whose~~ A mouth ~~of the bag may include an~~ comprises
opening/closing ~~means~~ for multiple successive openings and closings and a cleavable linking
veil, located at a distance therefrom inside the bag in relation to ~~said~~ the opening/closing ~~means;~~
The method may also include introduction of contents to be wrapped in the bag and tightening of
said bag in order to close it, with tension being applied to the contents; ~~the~~ A veil may enters
into contact with the contents to ~~avoiding~~ the application of stress on the opening/closing ~~means~~,
and ~~guaranteeing~~ free access to the contents via said opening/closing ~~means~~ after tearing the
cleavable linking veil; In one embodiment, free access to bag contents enables ~~enabling~~ the bag
to be relaxed in a closed state as a result of the distance (D) separating the veil and the
opening/closing ~~means~~. The invention also relates to a packaging device and to bags thus
obtained.
